### Newsletter 24/05/17

#### Ramadan

Alhamdulillah, the month of Ramadan is fast approaching, we pray that the Almighty grants us the ability to reap the rewards of this blessed month to the fullest. Ameen!

#### Ramadan timings

The timings for school during the month of Ramadan from the week beginning 29/05/17 are as follows;

- Monday-Thursday school will start at 9:50am and end at 3:10pm (doors will open at 9:45am)
- Friday school will start at 8:50am till 12:00pm (doors will open at 8:45am)

#### Fasting

We are aware that many of our children are intending to fast during this blessed month, which is fantastic and we are always supportive of their enthusiasm. However, due to the days being far too long, we are not permitting children to fast during the school week. The reason being is that children will find it difficult to concentrate during lessons and this will hinder learning.

We understand that children may be upset by this decision, however it's not something we have taken lightly and we only have the children's best interests at heart.

#### School Uniform

Please ensure your child is coming to school in the correct uniform. We would like to advise parents to label their child's uniforms to avoid mix-ups.

#### Suitable footwear

Recently, we have noticed children coming into school wearing unsuitable footwear such as

sandals with heels and slippers. We would like to request parents to ensure children are coming to school with suitable footwear.

#### Timetable competition

Well done to everyone who took part in the timetable competition. Our winners were Ismaeel Shahbaz from year 4 and Anisah Bashir from year 5. A huge well done to both our winners!

#### Whole school Spelling Bee and timetable competition

After the Ramadan holidays, we will be holding a whole school competition for both spellings and timetables.

The aim of this is to create a fun way to help children practice and learn their timetables and spellings.

#### School council

Alhamdulillah, our school council have been busy over the past few weeks. Below are some of the projects the children have been working on:

- Providing the whole school with gardening equipment in order to make national gardening week a success.
- Providing an on-going budget to the school to purchase new books for the children, from which £79 has been given already to purchase reading books for the year 6 this term.
- Purchasing sports equipment for P.E lessons.
- A resolution was passed unanimously to provide small budget for purchasing prizes for students.
